Sir,

With reference to your office letter No. 2992, dated the 11th March last, forwarding a statement showing that a further sum of Rs. 540-7-7 is due to the Mysore Government on account of additional leave allowances paid to Dr. Palpu by reason of the extension of privilege leave (which he seems to have enjoyed after his return from Baroda) and of pay during the joining time for his journey to Bangalore after he was relieved from Baroda, I have the honour to state that His Highness's Government have no objection to pay the amount of the leave allowances specified in the statement. It is not, however, clear why the amount of pay for the joining period is charged to his Highness' Government, when Dr. Palpu's connection with the State ceased from the date he was relieved from duty here. I request therefore the favour of your ascertaining under what article of the Mysore Service Regulations this latter claim has been preferred, On receipt of your reply necessary steps will be taken for the adjustment of the amount due.
